

Truck Crash Is Fatal To Idaho Man On Grade

24 Cattle Perish in Crash Of Trailer Last Night Near State Line

BULLETIN

Donald Van Buskirk expired shortly after reaching a Reno hospital this morning. He had suffered from a crushed chest and internal bleeding as well as a broken arm and pelvis.

Two men were badly injured and 24 cattle were killed in this separate truck mishaps in this district last night and this morning.

A produce truck driven by Norman W. Van Buskirk, 26, Nampa, Idaho, got out of control near the foot of Donner grade this morning at 7 o'clock, overturned down the bank and was completely demolished. Donald C. Van Buskirk, 21, brother of the driver was pinned in the cab for more than two hours, head down and seriously injured. Both were rushed to a Reno hospital after Dr. L. D. Nelson gave them first aid treatment at the scene.

Jack Thornton used a cutting torch to get the imprisoned man out of the cab and Sergeant George Haines, who with Patrolman Roy Stallard, made the investigation, gave him credit for a splendid job which possibly saved the man's life. The forest service equipment was called to stand by in the event of fire. Sergeant Haines said the truck evidently lost its air brakes on the down grade.

At least 24 head of cattle were killed at 8:30 o'clock last night when a trailer on a truck driven by Lowell E. Baker, 30, Corcoran, was overturned two miles west of the Nevada state line. Two or three cattle escaped and were wandering in the vicinity.

Baker told Patrolman Stallard that a car forced him off the road.

\$100 FINES LEVIED ON THREE MEN FOLLOWING CRASH

Three Roseville men were fined \$100 each Saturday morning when they appeared before Justice of the Peace R. N. Little after an automobile-truck accident near Soda Springs.

John R. Tipton, 45, was fined \$100 for making a bad pass, cutting in and driving without a license, and his companions, Gailard G. Miller, a passenger, and Irwin Clautson, owner of the car, were fined \$100 each for violating the county sobriety ordinance. State Patrolman Roy Stallard made the arrests after a truck driven by John A. Stevens, 32, San Francisco, was forced off the road and overturned.

Last Friday morning a car driven by Low Kim In, 37, Sacramento waiter, ran off the road just west of Cisco and was wrecked. In escaped injury.

Church Women Plan Supper on Nov. 11th

On Friday evening, November 11, Armistice Day, the Women's Society of Christian Service of the Community Church will hold a spaghetti supper and bazaar in the Veterans Memorial Hall. The members of the American Legion donated the use of the hall for the evening to the women.

Serving of supper will start at 6 p.m., a reasonable sum will be charged a plate and children's plates will be less. Hand-made articles, useful and attractive, will be on display for sale, reasonably priced for Christmas gifts. Mrs. D. Rylander is general chairman of the affair.

Pronetic Sermon Here At Church on Sunday

"What Can We Know About the Future?" will be the public worship topic at the 11 a.m. service Sunday at the Truckee Community Church, according to Rev. Oscar Swenson, pastor. Church School for all ages will be held at 10 a.m. and an evening hymn sing and Bible Study at 7:30 p.m. will round out services for the day.

Here for Hunt—

Harry Loynd of Detroit and William Loynd of Millbrae are visiting here with their brothers, E. L. and Walter Loynd, and are enjoying the duck hunting near Fallon.

Goes to Hospital—

Mr. and Mrs. Paul Rausch took their son Paul to the Shrine Hospital in San Francisco this week after they had received a wire from the personnel to return the boy for continued treatment.

Sales To Answer To Higher Court For Gun Display

Bail Set at \$20,000 After Preliminary Hearing Here on Monday

Following a preliminary hearing before Justice of the Peace R. N. Little Monday afternoon, Walter A. Sales, 38, was held to answer to the Superior Court on a charge of an ex-convict carrying a gun. Bail was set at \$20,000.

Sales, who was arrested by Constable N. F. Dolley and Deputy Sheriff Fosten Wilson after he allegedly entered the home of Mr. and Mrs. Geno Giovannoni last week in what officers said was evidently his third attempt to kidnap Mrs. Giovannoni, was not represented by counsel at the hearing.

Prosecution witnesses summoned by District Attorney Vernon Stoll included Dolley, Wilson, Mrs. Giovannoni and Frank W. Gaiennie. The latter struggled with Sales for possession of the weapon in the Giovannoni home after he had been summoned by Mrs. Giovannoni who saw the gun on the floor after she returned home in the evening October 10. Sales escaped and was apprehended by the officers as he was attempting to hitchhike a ride toward Reno.

Sales was recently paroled after serving time in San Quentin for an attempt to kidnap Mrs. Giovannoni two years ago. Since his parole he had been living at Long Beach until he came north just prior to the latest affair.

STORE BURGLARY SUSPECT IS FREE UNDER \$1,000 BAIL

Gerald Gospodnetich, 20, arrested in Watsonville September 1 and charged with receiving property stolen during the burglary of Cabona's store here has been released from jail under \$1000 bail.

Three other youths, Robert Ruddell, King Montgomery and Allen Kendall, are still in custody in connection with the local burglary. Their trial in superior court has been set for November 14. Gospodnetich's trial is set for November 17.

Dollar Boat Gets Spread In National Magazine

The issue of Look magazine now on the stands features two pages of pictures on R. Stanley Dollar's Skip-A-Long of California which now rests on the bottom of Lake Tahoe following its sinking last summer.

The article carries five captioned pictures of the boat, Dollar, his wife and his mechanic, Ollie Meeks. The captions recited how the Skip-A-Long set a 94.285 mph. speed record to win the International Harmsworth Trophy.

"They race for the Lake Tahoe Yacht Club," Look captioned. "As Harmsworth winner Dollar has strong voice on site of next race."

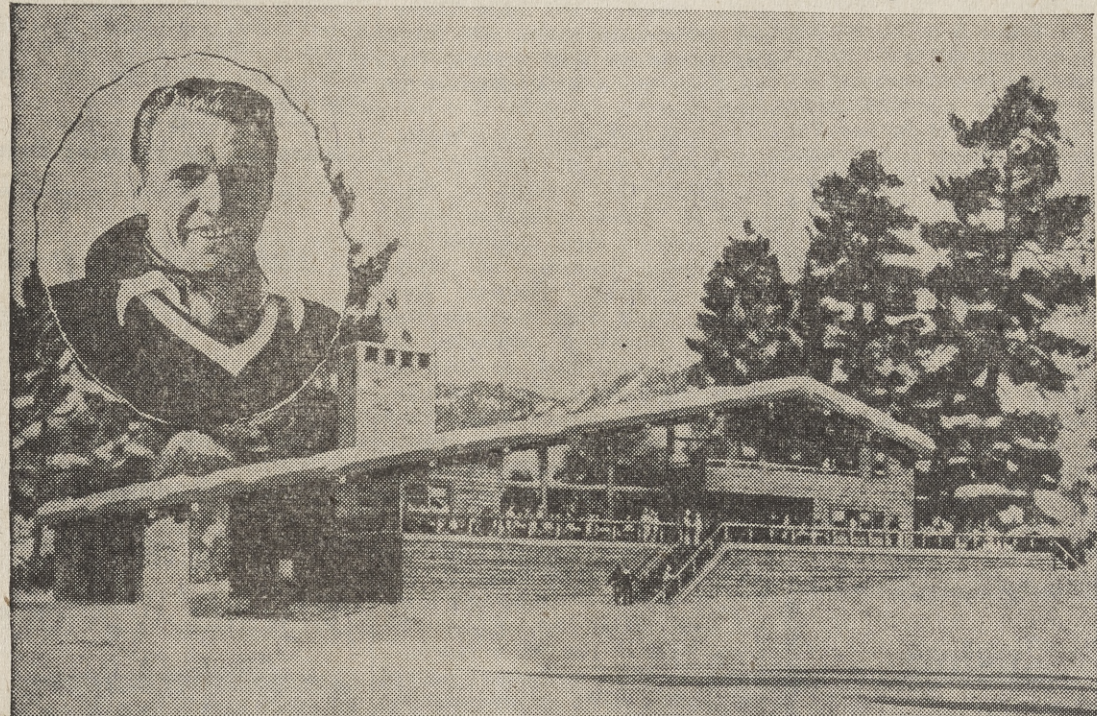

PTA Carnival Date Moved to Nov. 18th

Mrs. Muriel Frey, chairman for the proposed carnival to be sponsored by the Truckee Parents and Teachers Association, announced yesterday that the affair will be held Friday, November 18th, instead of October 28 as originally planned.

A dinner will be arranged under the direction of Mrs. H. Ciardella and a full evening of fun and entertainment is in store for everyone attending. More details will be announced from time to time, Mrs. Frey said.

At the same time, Mrs. Frey announced that the annual membership drive for the association is now under way and urged everyone to join the local group. A party will be given to the elementary school room bringing in the largest number of new members with a similar award for the high school in event that group outshines the lower classes.

Famous Skier To Teach At Squaw Valley—Tahoe

Emile Allais, great French skier, will introduce his simplified method of ski instruction in California this winter. Allais will teach at Squaw Valley, the West's newest ski center, between Lake Tahoe and Truckee, which opens November 23. In addition to the Allais school, Squaw Valley has the world's largest ski lift and a luxurious ski lodge. Nearby Tahoe Tavern will open in mid-December.

Truckee Travel Shows Slight Drop For Sept.

Travel into California through Truckee dropped from a total of 38,607 automobiles during August to 35,534 during September, the records kept by the state department of agriculture at the local quarantine station reveal.

Of the total number of vehicles 22,587 were from California returning from trips east and 12,947 were out of state cars entering California. Added to the total number of vehicles were 1,962 trucks and 627 buses, the report shows.

The passenger total for all vehicles was 104,941, while Yermo, the high spot on the California borders, registered 36,774 automobiles and a total of 109,560 passengers.

Stateline on Highway 50 registered 9,923 autos, 194 trucks, 20 stages and a total of 26,408 passengers. Brockway had 1,757 autos, 30 stages, no trucks and 4,689 passengers.

September saw 95,018 automobiles and 251,939 passengers from states other than California enter this state, the report indicated.

Bottels Drive New Ford Purchased from Wittich

William A. Bottel of Truckee is the latest owner of a new Ford four-door sedan delivered by the Wittich Motors of Colfax. The company also recently delivered one of the largest school buses in the region when the Tahoe Truckee Joint Unified School District accepted a 61-passenger bus.

New Union Station to Rise on Corner Site

The Union station at Commercial Row and Bridge Street has completely disappeared as workmen prepare to install the new station on the site. Large storage tanks are being buried and plans call for a super service station to be erected on the site before winter.

Sonora Pass Closed By Storm Tuesday

SACRAMENTO (W.N.S.)—First Sierra highway to be closed by snow this year was Sonora Pass, closed Tuesday, the state division of highways announced. The division said chains were necessary on Tioga Pass and on U.S. 40 from Soda Springs to Donner Lake on Tuesday.

VACATION AT LAKE

Among those who enjoyed late fall vacations at their Tahoe summer homes are Mr. and Mrs. H. C. Russell and son of Walnut Grove, who are installing a new breakwater in front of their Tahoe Pines home, and Mr. and Mrs. Carlos Rookwood of Vallejo who have been enjoying a fall vacation at their Homewood place.

Sun Beams

by Walter M. Barrett

This week the Truckee Parents and Teachers Association started its drive for new members. We believe there is a definite need for this organization, designed to foster a closer relationship between the home and the school and it is certainly worthy of the small membership fee required. A second invitation to join should not be necessary.

It is noteworthy that the governing boards of both the new hospital and the unified school districts have adopted a strict policy of trading at home whenever possible. This same policy has been used by most other local boards and it has a very sound reason which needs no explanation. Through local patronage, the districts naturally become stronger and therefore more useful to the people they serve. Comparison

of prices have proved the economic justification for this policy and service is always available and given without restriction. This same sound reasoning applies to individuals as well as organizations and districts and could well be practiced for the strengthening and building up of the entire community.

A full and complete line of personalized Christmas cards is now available for your selection at the office of the Sierra Sun.

Carol Gracik Hostess On Third Birthdate

Carol Gracik, daughter of Mr. and Mrs. John Gracik, was the incentive for a party on her third birthday, Saturday, October 15. Jack o'lanterns and other decorations in yellow and black greeted the guests. Games and gifts rounded out a pleasant afternoon for the following guests:

Joanne and Gary Costa, Judy and Frances McGivinn, Linda and Judy Giovannoni, Dee Dee Doyle, Joy Moreland, Barry and Marcia Leamon, Dorette and Pamela Rose, Stephanie and Vicky Firpo, Theo and Patricia Scott, Donna Gracik and Mesdames Doyle McGivinn, Robert Leamon, Frank Giovannoni, Sam Costa and David Rose.

BACK TO BUSINESS

E. L. Loynd of Loynd's Truckee Drug returned Sunday from San Francisco where he went on a combined business trip and spent several days in a hospital with an injured foot. On Saturday he was visited by Dr. L. D. Nelson of Truckee.

Mills to Sacramento—

Mr. and Mrs. M. F. Mills have returned to Sacramento for the winter.

Sierra Sun Advertising Pays!

Last Rites For Local Pioneer Held Saturday

Funeral services were held at San Francisco last Saturday under the auspices of Lincoln Lodge No. 470, F.&A.M., for William F. Wilkie, pioneer Truckee merchant, who died at his home in the bay city last Thursday afternoon.

A native of Dutch Flat, Placer County, Wilkie in 1884 came to Truckee as a clerk for Sisson, Wallace & Co., a local general merchandise store located where the Truckee Shoe Store and the Sierra Sun are now operating. More than 60 years ago, he went into business for himself as the Truckee Mercantile Co. which he sold in 1945 to N. F. Dolley and Anthony Pace.

In January of last year, Mr. and Mrs. Wilkie reluctantly left their home here and went to San Francisco where they have resided since. Both have frequently visited here since that time and have expressed a strong love for Truckee.

As a pioneer merchant in Truckee, Wilkie probably, more than any other man here, lent assistance to needy families during depression times, extending credit when he knew there was little likelihood of reimbursement, but never complaining. His typical, old-fashioned store, with its big wood stove and open cracker barrel was the meeting place of arm chair politicians and scores of friends who gathered there to retell stories of the early days in Truckee—stories which lost none of their romance in the passing of time. Bill Wilkie was more than just another storekeeper, he was a Truckee institution and his death will leave a wide vacancy in the ranks of pioneers who made Truckee possible.

The board will meet again Friday night to discuss detailed plans for the structure and will present these plans to Architect George Sellen of Sacramento at a meeting to be held next Wednesday night when architectural matters will be under discussion.

Rhythm Band, Dancers On Wyethia Program

Mrs. J. R. Wolert's pre-school rhythm band and Gladys Pedley's dancing class will entertain members and guests of the Wyethia Club on Friday evening, October 21. Mesdames Frank Giovannoni, J. Jenkins, Wes Moreland and John Gracik will preside as tea hostesses for the evening.

Sites' Kin Rates High In Shooting Match

Mr. and Mrs. Don Sites have received word that their son-in-law, Captain J. O'Malley, recently promoted to the rank of captain in the U.S. Marine air force and stationed at North Carolina, has won second place in pistol shooting, competing with top pistol shots in the nation.

The meet took place at Quantico, Virginia, and Captain O'Malley won several medals, a pistol and a wrist watch as awards for excellent shooting, coming within eight points of first place. He will be a permanent member of the Cherry Point team.

Hospital May Be Started Here In Next Six Months

Board Schedules Frequent Meetings to Expedite Required Details

If plans progress as scheduled, work can start on the new Tahoe Forest Hospital within six months time.

This assurance was given Tuesday night by John R. Derry, assistant chief of the hospital bureau of the state department of public health, who met here with the board of directors to discuss the next step in the program.

Within the next few days a financial statement, evidencing the district's ability to proceed with the federal-state assistance, will be forwarded to the state department together with a copy of the title to the property and soil samples for federal analysis. After these routine matters have been handled, a tentative architect's sketch must be approved before the actual plans for the structure are submitted for final approval.

Derry went over the entire program with the directors, advising them what steps are required and offering suggestions to provide the district with the best possible institution for the money being expended. The state and federal governments are providing two-thirds of the \$255,000 estimated as the cost for the building and necessary equipment. This is shared on a basis of approximately \$88,000 from each unit. Any sum over the estimated cost must be borne by the district but Derry gave assurance that the cost would not exceed that figure on the basis of a 12-bed hospital.

It is estimated that the building and permanent appointments will cost approximately \$190,000, the balance of the \$255,000 going for furniture, equipment and other necessary incidentals.

The site on the east edge of Gateway Park which was donated by R. Joseph has been approved by the state officials as the best available in the district. A road from Highway 40 to the location, a block off the highway, will be opened and prepared before construction is begun. Supervisor H. G. Loehr said he would lend all possible assistance to this part of the program.

The board will meet again Friday night to discuss detailed plans for the structure and will present these plans to Architect George Sellen of Sacramento at a meeting to be held next Wednesday night when architectural matters will be under discussion.

Dr. L. D. Nelson, who recently made a survey of small hospital units in southern California, met with the board last night and will tell the members of his inspection at Friday's session. He offered to work in close harmony with the directors and will invite other doctors of the district to attend and present their views so that the unit will meet all possible requirements.

Derry said that he and other state officials also will work closely with the local board for the best advantage of all concerned.

YMCA Official Speaks At Lions Club Meeting

The Truckee Lions Club last night heard an inspiring talk on Youth given by Rudy Abrecht, executive secretary of the YMCA Mountain Division of Northern California. Abrecht has had many years work in the problems of the younger people and invited the Lions to participate in a youth program in this district. Everett O'Rourke also spoke briefly, introducing the speaker. Other guests included David Anderson of Truckee, Alvah Hooper, Grass Valley and Dr. Kerrin, Nevada City.

In Los Angeles—

C. W. (Tex) Jones of Tahoe Vista writes from Los Angeles to give us his address so that he can keep in touch with local happenings.

Mystery Vanishes As Probe Shows Man Killed Self

Missing Key Is Found, Autopsy Rule Out Murder Theory

The mystery in the death of a Chinese, tentatively identified as C. T. Chee, 37, Chicago, whose body with a bullet hole through the head was found in a local hotel room yesterday morning, was believed solved last night following a day of investigation by Constable N. F. Dolley and Deputy Sheriff Fosten Wilson, who said Chee evidently took his own life.

A murder theory was advanced when officers failed to find the room key which had been removed from the identification tag. Later the key was found secreted in a light fixture. Still another murder angle disappeared when it was revealed through an autopsy by Dr. J. H. Bernard that the same bullet which killed Chee knocked plaster off the wall. First inspection of the room indicated two shots had been fired.

Chee registered at the hotel Tuesday night at 7:30 o'clock. He went out later, attending a show and returned to his room about 11:30, leaving a call for 8 a.m. When he failed to answer the call, hotel employees entered the room and found the body in bed, attired in a sweat shirt and trousers, a .25 calibre automatic in his right hand. Indications were he had taken a bath and retired. One drink had been taken from a miniature bottle of whiskey.

A key with a rabbit's foot attached, a gold wrist watch of considerable value, a fountain pen, \$4 in currency and the gun were the only items in the room aside from the clothing the man wore.

Fingerprints are being taken in an effort to complete identification, Dolley said. The body is at the Truckee Colonial Mortuary. Coroner Alvah Hooper was here to assist in the investigation.

NEARBY AREAS REPORT SNOW: TRUCKEE BARE

Truckee was about the only spot in the region which escaped a heavy snow fall Tuesday. For the first time this year, chains were required on all vehicles traveling over Donner Summit where four inches of snow fell, causing some confusion among drivers who were caught without chains.

Homewood at Lake Tahoe reported the heaviest fall with more than eight inches while Glenbrook had six inches. The snow fell all the way to Big Chief but from there to Truckee the roads were nearly dry. Only a few flakes fell in Truckee with even Reno reporting more.

The storm was general with hail, snow and high winds reported in San Francisco. Cold weather was reported throughout the coastal area and the Sierra.

Temperatures here dropped to near 20 Wednesday morning, the coldest morning of the season thus far.

Hunters Turn to Ducks As Deer Season Ends

The 1949 deer hunting season came to an end last Saturday in this district.

Wardens report that more deer were killed than during any recent season and the justice court records reveal there were more violators apprehended than ever before with a record number of hunters participating in the sport. Sportsmen declare that never have there been so many illegal deer slaughtered and left in the woods.

The closing of the deer season saw the opening of the duck season in Nevada and scores of local nimrods laid aside their rifles to replace them with shotguns to invade the Fallon area. First reports indicated good hunting. The season opens in California Saturday and many local men are planning to visit the Sacramento Valley for the hunting.

Marie Nielsen is Bride Of Farrar on Saturday

Miss Marie L. Nielsen, daughter of Mrs. John Collier, and Lane L. Farrar, son of Mr. and Mrs. F. A. Farrar, all of Truckee, were married in Reno Saturday and are receiving the congratulations of their friends here where both are well known.

Farrar is stationed in Texas with the army and returned to his post there this week.

Son for Schofields—

Mr. and Mrs. Gordon Schofield of Truckee became the parents of a son born at Reno on Sunday, October 16.

New Tahoe Highway Is Ahead of Schedule

TAHOE CITY— Tuesday's snowstorm found the Fredrickson Brothers, who have been constructing the new three-mile stretch of highway between Tahoe City and Dollar Point, a full month ahead of schedule and within a few days of completing the project. Except for the laying of a seal coat on the lower end, cleaning up the approaches and installation of monuments and

guard rails, the highway is completed. The new lateral eliminates two of Lake Tahoe's more dangerous curves, where frequent accidents have occurred. These are at Hog Pen Hill near the Tahoe Fish Hatchery and at Dollar Point. Both have been by-passed and the new pavement is 26 feet wide with super-elevation on all the curves for safety driving, engineers designing the road for 55 mph speed. The job called for 120,000

cubic yards of excavation with equipment used including eight tractors, four scrapers and a 2½ cubic yard shovel, with as high as 90 men on the payroll. The company's rock crush plant turned out over 20,000 tons of base gravel and 7500 tons of asphalt mix. Work was started June 6. Glen Fredrickson, son of Charles Fredrickson of Fredrickson Bros., Emeryville, was superintendent of the job which was financed through the Federal Public Roads Administration.

Squaw Valley Ski Lift Was Challenge To Skill of Engineers

SQUAW VALLEY— Robert Heron of the Heron Engineering Company of Denver, Colorado, left for home last weekend after completing the stringing of 16,400 feet of cable on the world's largest ski lift. His partner and brother, Kenneth W. Heron, has arrived to take over from him the duties of chief engineer and superintendent of the project.

The lift which, due to difficulties of the terrain, many experts predicted could not be built, will open along with Squaw Valley Lodge on November 23. Situated in this alpine valley between Truckee and Lake Tahoe, its 180 double chairs will carry 600 people up 2000 vertical feet an hour for a total distance of 8200 feet.

"In Squaw Valley," says Engineer Heron, who also designed and supervised the erection of chair lifts at Aspen, Arapahoe Basin and Berthoud Pass, Colorado, and the aerial tramway at White Sands Proving Grounds, New Mexico, "our first problem was that of access. A two-mile, all-weather road had to be cut through big timber from the highway to the valley's head. Then we put another, narrower three-mile road, with grades up to 25 per cent, up the slopes of Squaw Mountain."

In building the ski lift, on which work began May 20 and which, with the lodge, will operate both winter and summer—for sight-seers in the latter season—Heron and his 40 helpers poured 200 square yards of concrete and lifted up the mountain side 70 tons of structural steel and 50 of mechanical equipment. The 12-foot bull wheels and other material is the heaviest yet used in such construction.

Heron adds, "The safety factor is first in building a lift like this one and we have taken unusual precautions. For example, we have a stand-by gasoline engine beside the regular electrically operated lift motor. We also have an electrically controlled thruster brake, supplemented by a hand brake. Emergency stop buttons are distributed along the 28-towered line. The lift will be manned constantly by eight operators and attendants."

Heron is a graduate of the class of '37 in civil engineering of the University of New Mexico and later studied at the University of Colorado.

Justices' Convention May Come to Tahoe in '51

TAHOE CITY— Justice of the Peace and Mrs. C. W. Vernon of Tahoe City recently attended the annual state convention of constables and justices at Hoberg's in Lake County. The sessions lasted for three days with panel discussions on problems of the group held each day.

The next annual convention will be held in San Diego in 1950. Under authority of a resolution by the Lake Tahoe Chamber of Commerce, Judge Vernon extended an invitation for the 1951 convention to be held at Lake Tahoe. Conventions are alternated each year between northern and southern California. The invitation was tentatively accepted, with the provision that Lake Tahoe reaffirm the invitation at next year's sessions.

Why this isn't your 1950 model car

This gasoline buggy, now safely tucked away in dusty photograph albums, was quite a car in its day. It buzzed along at 20 miles an hour, had a jaunty, rakish air, and the people who could afford to buy one thought it was perfectly wonderful.

In fact, it was so good it might still be the car you drive but for one reason. Competition. Healthy competition among both automotive and oil companies that resulted in constantly better, lower-cost automobiles and steadily improved oils and gasolines.

For one example: Here at Standard of California, we've pioneered literally thousands of improvements in gasolines, motor oils and other petroleum products since the days of the horseless carriage. Those you use in your car today are unsurpassed anywhere. The world's first

service station built by Standard in 1907 has grown, including outlets of all companies, to a network of more than a quarter of a million stations across the country. This progress, spurred by competition, will not stop. Just since the war, we've spent more than \$450,000,000 in plants and facilities to serve you better.

Equally Safe

The modern laundering methods employed in our plant insure that your white things will return to you whiter and your colored things will come back with their hues intact and in place. Careful attention is given to each individual order and special instructions are closely followed. Be safe—call Truckee 124 for the best in laundry service!

A neat new sign now appears over the door to identify the Truckee Colonial Mortuary down Church St. The Anton Mahne home on the same mall has recently received a grey stucco finish. Harvey Hocker holding down the fort at the Public Market while Dave Rose vacations. Pete Zydner sweating out the evening train, expecting his son up for a visit. Wonder when they're going to get those speed limit signs up on the freeway. Peanie Loynd missed the opening of duck hunting in Nevada laid up in a SF hospital with a bum foot. But was out in the blinds this week, crutch and all. A Sacramento sportscribe cited Ray Lujan, who played outfield for the Truckee Mountaineers, as a standout in the capital winter league. Ray pounded out three for three in his first game with the LaTepiquenas. I may be wrong, but little Gale Englehart seems to bear a striking resemblance to her maternal grandad, John Brown. Bud Owens tells me those hot milk shakes he advertises are for real. The faces around Heller's Variety are horrible. As they should be for the Halloween season. They really have some dillys.

North Tahoe
by T. BURROUGHS

Most gratifying were the results of that food sale held by the WSCS of the Wee Kirk of the Pines last Saturday in the Variety Store in Kings Beach. Thanks to Mr. and Mrs. Porath, proprietors of the store, who extended every courtesy and to all who contributed food. The Society realized \$43.

Due to inclement weather, the Bible Study Class did not meet with Mrs. Murray Tuesday.

Next Tuesday, the 25th, an all-day work meeting of the WSCS will be held at the home of the president, Mrs. Mosier, at Veron Villa, Crystal Bay, beginning at ten o'clock. Those women attending are requested to bring thimbles, scissors, thread, worsted yarn and large darning needles as well as some articles of food for the pot-luck dinner.

Church School will be held at the regular hour of 10 o'clock on Sunday morning, followed by the preaching service at 11 at the Carpenters' Hall. Mr. Ridsen will be the speaker and a cordial invitation is extended to all.

Brockway Rotary met at the usual time at The Gables in Kings Beach on Monday. A YMCA speaker brought out needs and advantages of a youth center for youth activities. The meeting was short after which all members went right over to the former Bingo Hall in Kings Beach and started sawing timbers and driving nails toward completion of a suitable place for the entertainment of our local youth. Mulford Miles has after relinquishing his membership in the Tahoe City Rotary, become a member of the Brockway Rotary.

Two new members received last meeting are Dr. H. M. Holmes of Crystal Bay and Mr. Porath of Kings Beach. Next Monday the meeting will be for the Rotarians' ladies at the Buckhorn in the evening.

We have lost for the winter our good neighbors, Mr. and Mrs. Carroll Panier of Tahoe Vista. On the 15th the Rapiers left for Fullerton where they will winter with their daughter, Georgia, who has purchased a home there.

Certainly is good to know that Florence Miles is feeling better. She's been sticking pretty close to home for the past three or four weeks and not quite up to par.

Raymond Martin, son of Mrs. Dave Hall, is home and Winona, his mother, is away up in the clouds. Come on down, Winnie, your son wants to enjoy your company before he has to report back to duty next week in San Diego where he is a hospital apprentice in Uncle Sam's service. The Halls entertained Norman King at dinner on Ray's first evening at home.

This sudden snow fall may not indicate a long hard winter after all. According to Indian lore, if the pine cones open and the nuts fall out as we've seen them do this fall there is possibility that our winter will be lighter and shorter than those long white blanketed months ending last April or May.

Thank the Highway Department there'll be those good old yellow snow stakes to guide us in the next swirling white storm. It wasn't too easy getting over Donner and Dollar last Tuesday morning. And, entirely too many people were caught on the highway without chains.

We see chairs stacked up at the McCoy's Home Cafe in Kings Beach, another sign that quieter days are here for a while with mother earth wrapped in her white blanket.

Kings Beach PTA met Thurs-

**Premiere at Loyalton for
Movie Filmed at Tahoe**

In "Beyond the Forest" Warner Brothers' new drama from the Stuart Engstrand novel, being premiered at the Sierra Theatre in Loyalton Saturday, Sunday and Monday, Bette Davis will be shooting for her third Academy Award. With an important, hand picked cast topped by co-star Joseph Cotten, one of the leading male stars in Hollywood; David Brian, tall, rugged and handsome new star, and another newcomer, Ruth Roman, Warner Bros. spared no effort to make this one of Bette's best.

The picture was shot on location in the Lake Tahoe area and the town of Loyalton and contains scenes of unsurpassed outdoor natural beauty. There were also a few scenes made on the streets of Truckee.

**Eastern Star Leaders
Sojourn at Lake**

SUNNYSIDE— After attending a homecoming at Knights Ferry for Elveta Groh, worthy grand matron, OES, a group of grand officers motored to Lake Tahoe where they were guests of Mr. and Mrs. Don Ward in the Sunnyside district. The Wards entertained the group at dinner at Lakewood Lodge, Homewood. The group remained until Thursday when they left for the Nevada grand chapter in Reno and from there returned to their homes.

The group included Mr. and Mrs. Albert Walton, Sacramento; Mr. and Mrs. Ted Gilbank, Arcadia; Miss Helen Gillogby, Orange; Mr. and Mrs. Leta Larson, Wilmington. All the ladies are grand officers of the Eastern Star in California. Ward is grand sentinel.

day night at the school house with E. V. O'Rourke speaking on the hot lunch program.

Those interested in the formation of a ceramics and pottery class, please contact Charles Chubb, school principal.

The Women's Club of North Tahoe will hold its next meeting on Thursday evening, Oct. 27, at the school house. Preparations are under way for some good entertainment in the near future. A good attendance will insure success and fun for all.

Mrs. Clarice Astle was hostess at a pink and blue shower given in honor of her daughter-in-law, Ruelah, last Tuesday evening at The Burroughs. Gifts were graciously received by the honoree. Games were played, prizes awarded and refreshments served.

ON THE "CORNER" IN TRUCKEE

Tahoe Letter

FROM SWANEE

Tahoe City, October 17

Dear Tahoeites:

Twas a great day for the Bechdolt clan of Tahoe City Sunday. Not only did Mrs. William Bechdolt celebrate another birthday but she also presented her husband with a 6 pound 10 ounce son born in a Reno hospital. The lad, who has a sister Julianne,

has been named James Andrew, after his two proud grandfathers. Members of the Lake Tahoe Ski Club met Friday night but failed to take action on future policies for the ski hills. All members are urged to attend this Friday night's confab so that necessary work may be completed before winter snows arrive. Kathleen Brandt was given a housewarming at her new home in Tahoe Cedars Saturday night, guests attending were Messrs.

and Mesdames Harold Smith, Inon Mitchell, James Goodhue, Fred Cunningham, Pete Sederberg and Susue, and Carl Schmidt, and Mr. and Mrs. Grahm and daughter of Lake Forest. A business meeting will be held by the Women's Club of Tahoe in Tahoe Community Center on November 3 at 2 p.m. at which plans for the annual bazaar on November 19 will be completed. Visitors for the past week at the home of the Phil Geiers of Tahoe Park were Mr. and Mrs. John McEwen of San Francisco. Guests of the Doug Smiths last week were Mr. and Mrs. Austin Erskine of Auburn. Mrs. E. is a Placer County deputy sheriff and Erskine is a brother of Mrs. Smith.

More progress is anticipated in Tahoe City next summer since Fred A. Kilner & Co. have purchased a 160x120 foot lot between the golf links clubhouse and the Barney Morrow home on Highway 89. The deal was closed with Gordon Hyde but no development is expected until next year. A big turkey dinner party will be held in Tahoe Community hall Saturday evening, October 22, at 7 p.m., sponsored by the Lake Tahoe Ski Club, the entire proceeds to be turned over as a gift of friendship and appreciation to Terry Tollefson who underwent long months of suffering and is still recuperating at his home at Big Chief, where he welcomes frequent visits from friends. His long siege at Sun Valley Hospital, where he nursed a broken leg with serious complications, was a costly and harrowing experience. He was injured on the icy slopes of Sun Valley during the American Legion meet in March. His many friends hope to make up in some measure for his game sportsmanship through his terrible ordeal. Tickets are on sale at Village Store and Jay's Tahoe City Drug. The ladies preparing and serving the feast will be Mesdames G. D. Waters, Blanche Donaldson, Jean Henry, Martin Spitsen, Oscar Quam, Jake Stuart, Gerore Tiffie, Ray Fellows, Allan Pollitt, the Misses Dorene Quam, Blodwyn Tiffie, Carolyn Sturis, and Myra Lee Pollitt. G. D. Waters will act as toastmaster and Denis Sach will offer several vocal solos, accompanied by Mrs. Dick Boyce at the piano.

Mr. and Mrs. W. A. Simmonds Saturday night were tendered a surprise party at their Bittercourt Tract home by a group of friends. The occasion was their silver wedding anniversary. Those who brought along refreshments and cake and a gift of dishes to match the honorees set included Messrs. and Mesdames Norman Mayfield, A. M. Anderson, A. M. Henry, Arthur Frodenberg, Mrs. Evelyn Bliss and Miss Linda Frodenberg.

Wind this up Tuesday morning as snow falls steadily. The mercury fell to 22 early this morning. Four inches of snow has fallen. The lake level yesterday was 6223.84 with 72 CSF leaving the gates here. Highways are open but it advised that all

Cancer Drive Details Are Outlined For Hinkle Memorial Fund

TAHOE CITY—Last week a member of the Tahoe-Sierra branch of the American Association of University Women sought more complete information from Jeff M. Hall of the American Cancer Society in San Francisco to clarify the process of collection of contributions for the Bliss Hinkle Memorial fund which the local AAUW hopes to perpetuate through the years to come for their late president.

Hall brought out the following motorists carry chains.

Dave Chambers just phoned me from Chambers' Lodge where 75 Paramount movie personnel remain. A large number left for home in the last few days after completing several days of shooting at a private estate in the Sunnyside district. Chambers declared that plenty of food remains on hand for any emergency and heating facilities are adequate. Dr. C. B. Pedersen remains at the resort.

Will ring off for the week with best wishes to all, Swanee

facts: Checks may be mailed to the American Cancer Society in care of the Tahoe-Sierra AAUW at Tahoe City, to Mrs. Stella Watson, chairman of collections for the Placer County area of Lake Tahoe or directly to the American Cancer Society, 467 O'Farrell St., San Francisco 2. All money so donated will go to the San Francisco office. According to Hall, 40 per cent goes to national headquarters in New York, 60 per cent remaining in the state treasury. Forty per cent of the 60 per cent is returnable to an organized county but since Placer County is not yet organized, donations raised here would go directly to the state organization, which in turn allots funds to qualified research organizations. Twenty per cent of the 60 per cent is divided between the cost of extensive educational advertising, refresher course for doctors, special training for nurses and similar expenses. All funds collected within a county are credited to that county whether organized or not. The money sent to national headquarters is distributed throughout the nation to cancer research institutions where national organization leaders believe the most good will be realized. Hall points to the fact that during the past two years half a million dollars have been granted to California institutions for cancer research by the American Cancer Society and the California division.

Both Mrs. Watson and the AAUW have special "In Memorium" cards. Friends of the Hinkle family are invited to send their contributions, large or small, by means of these cards. The card is forwarded by the society to the family informing them that a gift has been made, giving the names of the donors, in memory of Bliss Hinkle. This was Mrs. Hinkle's fervent wish, expressed during the last days of her illness.

She prayed that the public would heed the educational program being sponsored by the society, seeking treatment before it was too late, and that the early-day stigma suffered by cancer victims would be forever banished by an enlightened people.

In Menlo Park—

A. J. Ketman, real estate broker at Lake Tahoe, is closing his offices there and will spend the winter at Menlo Park.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

October 17, 1949
To whom it may concern:
Notice is hereby given that fifteen days after the date posted, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

US Highway 40, 5 miles west of Truckee, Nevada County, Calif.
Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licenses) for these premises as follows:
On Sale Beer and Wine
On Sale Distilled Spirits

—Quarterly
Anyone desiring to protest the issuance of such license (s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

Thomas Alva Edison

February 11, 1847 - October 18, 1931

His inventive mind gave us

ELECTRIC LIGHT

Shining Symbol of American Enterprise

It would be good for us all to pause a moment on the eleventh of February to honor the man who gave us electric light—and say a simple "Thank you, Tom Edison". Every hour of day and night his light serves us. And we use it freely because it is good light—good and cheap to use.

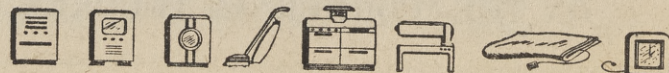

From Edison's light we have come to use electricity for more and more comforts and conveniences. We have learned to wash, iron, sew, clean house, preserve food and entertain the family—all with electricity. Today, lighting is just a small part of what many of us still call our "light bill".

In a sense it is a "light" bill. It lightens our homes and our work, and the low cost of electricity helps lighten our task of balancing the family budget.

Yes, Tom Edison, thanks to you.

OFFICIAL NOTICE OF SALE OF SCHOOL DISTRICT BONDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Supervisors of the County of Placer, State of California, at the office of the County Clerk and ex-officio clerk of said Board of Supervisors in the City of Auburn in said County, California, on Tuesday the 8th day of November, 1949, at the hour of 10 o'clock A.M. for the purchase of Tahoe-Truckee Joint Unified School District of Placer and Nevada Counties, State of California, more particularly described below:

ISSUE: \$750,000.00, consisting of 750 bonds of the denomination of \$1000.00 each, numbered 1 to 750 inclusive, all dated January 2, 1950.

INTEREST RATE: Maximum five (5) per cent per annum, payable annually for the first year on January 2, 1951, and semi-annually thereafter on July 2nd and January 2nd in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate stated in the bid must be in a multiple of one-quarter of one per cent per annum, payable as aforesaid.

MATURITIES: Said bonds mature serially in consecutive numerical order from lower to higher (without option of prior redemption) as follows:

Principal Amount	Maturity Dates
\$37,000.00	January 2, 1951
\$37,000.00	January 2, 1952
\$37,000.00	January 2, 1953
\$37,000.00	January 2, 1954
\$37,000.00	January 2, 1955
\$37,000.00	January 2, 1956
\$37,000.00	January 2, 1957
\$37,000.00	January 2, 1958
\$37,000.00	January 2, 1959
\$37,000.00	January 2, 1960
\$38,000.00	January 2, 1961
\$38,000.00	January 2, 1962
\$38,000.00	January 2, 1963
\$38,000.00	January 2, 1964
\$38,000.00	January 2, 1965
\$38,000.00	January 2, 1966
\$38,000.00	January 2, 1967
\$38,000.00	January 2, 1968
\$38,000.00	January 2, 1969
\$38,000.00	January 2, 1970

PAYMENT: Both principal and interest payable in lawful money of the United States, at the office of the County Treasurer of said County.

REGISTRATION: Coupon bonds will be issued by said Board of Supervisors on behalf of said School District. Such bonds are registrable only as to both principal and interest.

PURPOSE OF ISSUE: Said bonds were authorized by more than two-thirds of the voters voting at an election held in said District on August 16, 1949 and will be issued and sold for the purpose of raising money for authorized school purposes.

SECURITY: The bonds are general obligations of said School District, and said Board of Supervisors has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said School District, subject to taxation by said School District (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Bureau of Internal Revenue or by the decision of any Federal Court, the successful bidder may at his option prior to the tender of said bonds by the Board of Supervisors, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The legal opinion of the following firm approving the validity of said bonds will be furnished to the successful bidder without charge: Orrick, Dahlquist, Neff & Herrington, Financial Center Building, San Francisco, California.

TERMS OF SALE: HIGHEST BIDDER: The bonds will be awarded to the highest responsible bidder or bidders considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from the date of said bonds to the respective maturity dates thereof at the coupon rate or rates specified in the bid and the award will be made on the basis of the lowest net interest cost to the district. The lowest net interest cost shall be computed between the dates aforesaid according to standard bond interest tables. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the district.

RIGHT OF REJECTION: Said Board of Supervisors reserves the right in its discretion to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for receipt of proposals; provided that the award may be made after the expiration of the specified time if the bidder shall not have given the Board of Supervisors notice in writing of the withdrawal of such proposal.

PROMPT DELIVERY: Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of said County as soon as the bonds can be prepared which it is estimated will be about January 2, 1950.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at his option, to cancel the contract of purchase if the bonds are not tendered for delivery on or prior to January 15, 1950, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of said County, and endorsed "Proposal for School Bonds of Tahoe-Truckee Joint Unified School District, of Placer and Nevada Counties."

BID CHECK: With each bid must be submitted a certified check or cashier's check for \$5,000.00 drawn on a bank or trust company transacting business in the State of California, payable to the order of the County Treasurer, to secure said School District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the County Clerk by mail, upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said district, or the title of the officers to their respective offices. Dated: October 5, 1949. c13-20-27

L. RECHENMACHER, County Clerk and ex-officio Clerk of the Board of Supervisors of Placer County, State of California.

NOTICE TO CONTRACTORS

Notice is hereby given that the Tahoe-Truckee Joint Unified School District, Counties of Placer and Nevada, State of California, hereinafter referred to as the "Owner", will receive up to, but not later than 8:00 P.M. on the 21st day of October, 1949, sealed bids for the award of a contract for clearing, grading, and filling the site of the Tahoe-Truckee Joint Unified High School. Such bid shall be received at the Office of the Superintendent, Tahoe Lake School, Tahoe City, Placer County, California.

In accordance with the provisions of Section 1770 of the Labor Code, and local laws thereto applicable, the Owner has ascertained the general prevailing rate of wages in the locality in which this work is to be performed, copy of which rates are as follows:

	Rate Per Hour	Rate Per Day
Craft		
Power Grader - Power Planer	\$2.44	\$19.52
team or Power Shov- el and/or other exca- vating equipment with shovel type control:		
up to & incl. 1 yard	2.44	19.52
over 1 yard	2.59	20.72
tractors	2.29	18.32

Dump Truck Drivers - six yards and under	1.61 1/4	12.90
Dump Truck Drivers - over six yards	1.77 1/4	14.20
Water Wagon, Flat Racks and Pick-Up Truck Drivers	1.61 1/4	12.90

Note: Time and one-half for all overtime except Sundays and Holidays double time. Each bid must conform to the requirements of the plans and specifications and all other documents comprising the contract documents. The contract documents may be examined and copies obtained at the Office of the Architect, Gordon Stafford, Forum Building, Sacramento, California, and at the Office of the

Leave Meeks Bay—Mrs. Jody Maher and Miss Beatrice Maher left Meeks Bay last week for Reno, Nevada.

Supt'd., Tahoe Lake School, Tahoe City, Placer County, California.

No bid will be considered unless it is made on a form provided by the Architect and accompanied by certified check, cashier's check or bidder's bond for 10% of the amount of the bid, made payable to the Owner. The above mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute the contract if it is awarded to him in conformity with the contract documents and shall provide the surety bond or bonds required within 5 days after notification of the award of the contract to the bidders.

Work under this contract is to be substantially completed by the first day of December, 1949.

The successful bidder will be required to furnish a labor and material bond in an amount equal to fifty percent (50%) of the contract price and a faithful performance bond in an amount equal to one hundred percent (100%) of the contract price. The said bonds shall be secured from a Surety Company satisfactory to the Owner.

The Owner reserves the right to reject any and all bids and/or waive any irregularities or informalities in the bidding. Dated this 5th day of October, 1949. Signed: W. A. LOYND, President, Governing Board, Tahoe-Truckee Joint Unified School District. 06-13-20

Many Improvements Seen By State Chamber In Winter Sports of Area

Nearly three-quarters of a million dollars are being invested in new ski tows, lodges and other facilities in northern California, a resume of the coming snow season revealed at a meeting of the travel and recreation committee of the California State Chamber of Commerce's Sacramento Valley Council. All snow areas indicate prospects for the coming season are highly promising, Kenneth L. Hammaker, travel and recreation chairman, reports.

Tahoe-Squaw Valley Squaw Valley—a new sports development five miles from Tahoe and ten miles from Truckee—will open for operation November 23, after investment of more than \$400,000, to include the world's longest double-chair lift. In addition to the new lodge, Squaw Valley is completing more than two miles of road and a parking area for 1000 autos.

Tahoe Tavern will reopen this year after being closed in the winter since 1932. It was near Tahoe Tavern that the first national jumping and cross-country championships ever held in California were held.

Donner Summit New clearings of the slopes on Disney Peak and Mt. Lincoln are finished according to Gordon Hooley of the Sugar Bowl, and special inducements will be offered to family groups. The new \$100,000 ski lodge at the Donner Ski Ranch will be open with improved facilities for guests and hill users.

A new chair lift has been installed across from Beacon Hill Lodge at Soda Springs. The approach is from Soda Springs. New off-highway parking for 200 cars is being prepared.

SUGAR BOWL ROAD Gordon Hooley, manager of the Sugar Bowl on Donner Summit, has asked that Placer County take over the road into the resort and maintain it as a county road. The board of supervisors has referred the matter to the road commissioner for investigation and consideration in next year's budget.

FLORISTON

by C. A. FELESINA

FLORISTON—Mrs. Ray Yurich, accompanied by Mr. and Mrs. Wm. Beismier and Duke Yurich, all of San Francisco, all spent a few days at the Yurich summer home here.

Robert Whittenberg and family have moved to Reno. Whittenberg was president of the Floriston Property Owners' Association and will be quite a loss to the town.

Max McCurdy of Sacramento was home visiting his parents recently.

Mr. and Mrs. Frank Seymour were recent weekend visitors in Auburn, calling on their niece, Mrs. Anna Pyle.

Mrs. Vernon O'Brien has returned from a two weeks visit with her mother, Mrs. F. E. Kilgore, in Orange.

New residents of Floriston are Mr. and Mrs. Floyd Appedale of Reno, Mr. and Mrs. Leo Schofield of Sparks and Mr. and Mrs. Edward Schofield of Lovelock.

Accent Is on Youth In Schools of District

Everett O'Rourke, superintendent of the Tahoe Truckee Joint Unified School District, reports that all teachers and administrators of the district will meet with supervisors from the Placer County office at Truckee Elementary School today between 4 and 8 o'clock p.m.

Plans call for a number of high school students to attend the YMCA conference at Portola on November 19, accompanied by faculty members. O'Rourke declares that the local school is looking forward to having the YMCA conference in this area following completion of the new high school near Truckee.

A Play Day is being planned by the upper grades of the four elementary schools at Kings Beach between 10:30 a.m. and 2 p.m. October 28. Approximately 180 children will participate in volleyball, basketball and baseball games and other group events, children coming from the Kings Beach, Donner Trail, Truckee and Tahoe Lake schools. A field day for folk dancing is also being planned and musical fiestas will be given from time to time.

Rudv Abrecht, executive secretary of the Mountain Division of the YMCA, spoke to the student body Monday afternoon, his topic, Youth in Today's World. He also addressed the Brockway Rotary Club Monday night and the Truckee Lions Club Wednesday night.

Missing Man Is Found Near San Francisco

Reno police have learned that John Mumford, 44, San Francisco, who disappeared while on a business trip from his home to Reno, has been found, although details were not complete.

A friend of the man who dropped from sight after telephoning his wife from Truckee that he was nearing Reno after an uneventful trip, said Mumford was beaten and robbed but left in his own automobile near San Francisco. He was only semi-conscious when discovered and provided no details.

Police are attempting to find out what happened after Mumford left Truckee for Reno to invest \$1000 for his wife in the latter city.

In SP Hospital—

Donald W. Ryan, employed by the Southern Pacific roundhouse here, is recovering from a recent illness at the SP Hospital in San Francisco, hoping to be released from the hospital in the near future.

Vacation at Salt Lake—

Mr. and Mrs. M. E. Brown are enjoying a vacation at Salt Lake.

Bradshaws to Roseville—

Mr. and Mrs. Al Bradshaw will leave for Roseville tomorrow where they have bought property. They sold their houses on the local ski hill to James Lyons of Hobart Mills and rented their local home to the Floyd Calkins family for the winter.

Dessert, Theater Party Honors Theo Scott

Last Friday evening Mrs. Ray Scott entertained at a dessert and theater party in honor of their daughter, Theo, who was seven years old on October 7. The Hal-lowe'en motif was used to decorate the cake and table. Games were played before the group went to the Donner Theater.

Theo's small friends enjoying the affair were Kenneth and Dee Doyle, Linda and Jim Loynd, Judy Loynd, Ron Gifford, Barbara and Sluggie Brown, Merrill and Irene Englehart, Barry Leamon, Richard Simon, Stephanie and John Firpo, Patricia Scott and Mrs. K. Doyle of Susanville.

At Gateway—

Mr. and Mrs. A. P. Leitch returned Saturday from a honeymoon trip on the California coast and are living at the Gateway Motel.

Common Birthdate—

Mrs. T. T. Buell and Mrs. Douglas Barrett both observed their birth anniversaries on Wednesday, October 19.

Child Recovering—

Kary Kielhofer, young son of Mr. and Mrs. Karl Kielhofer, has returned from a Reno hospital where he was treated for an attack of asthma and pneumonia. Dr. L. D. Nelson reports the boy well on the way to recovery.

Roland Smith Plunges To Death in Oakland

Roland Smith, 59, who formerly owned and operated Edge Lake Resort at Lake Tahoe until two years ago, was killed last week when he fell from his 12th story apartment in Oakland.

Mrs. Smith and a family friend, Edgar O. Eaton, told police they were in the kitchen of the apartment when the fatal plunge occurred. They said they heard a crash and came into the front room in time to see Smith, who was partially paralyzed, tumbling backward through the window.

Tarzan

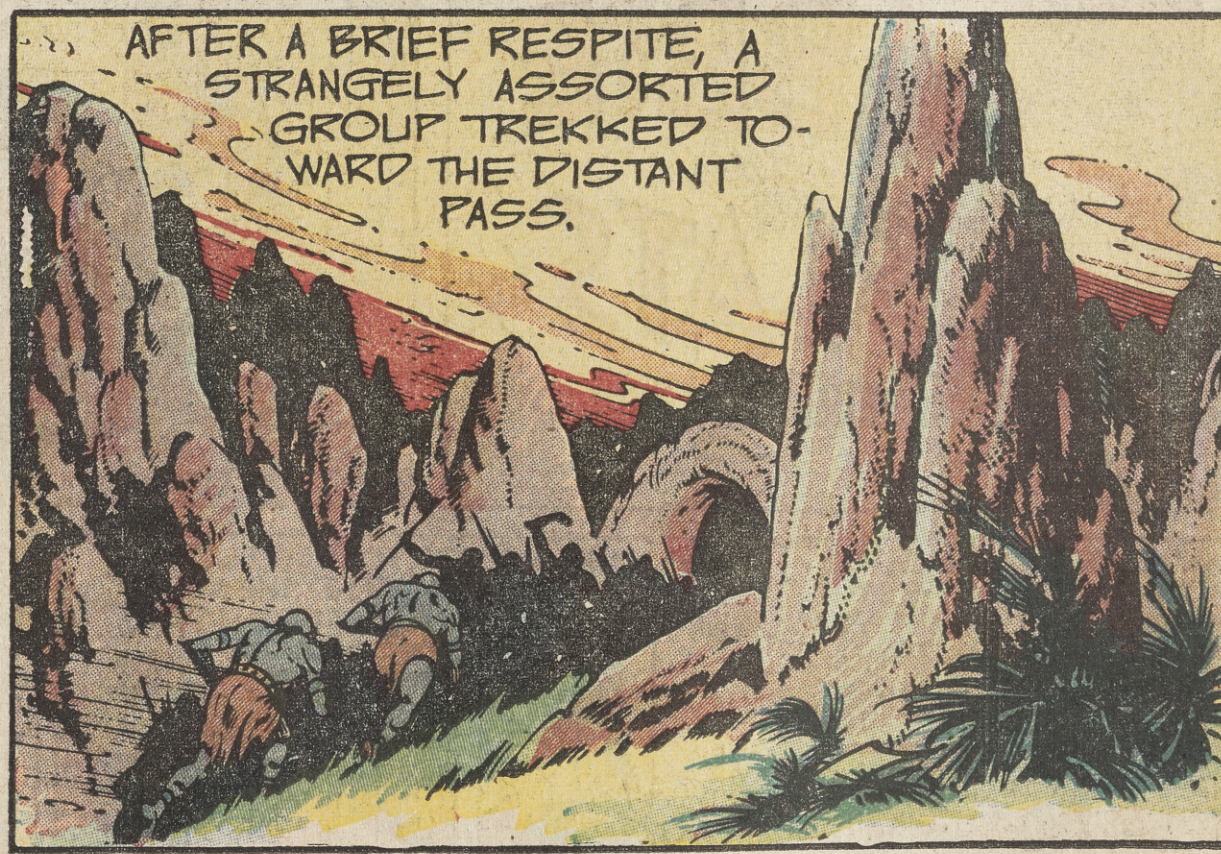

by EDGAR RICE BURROUGHS

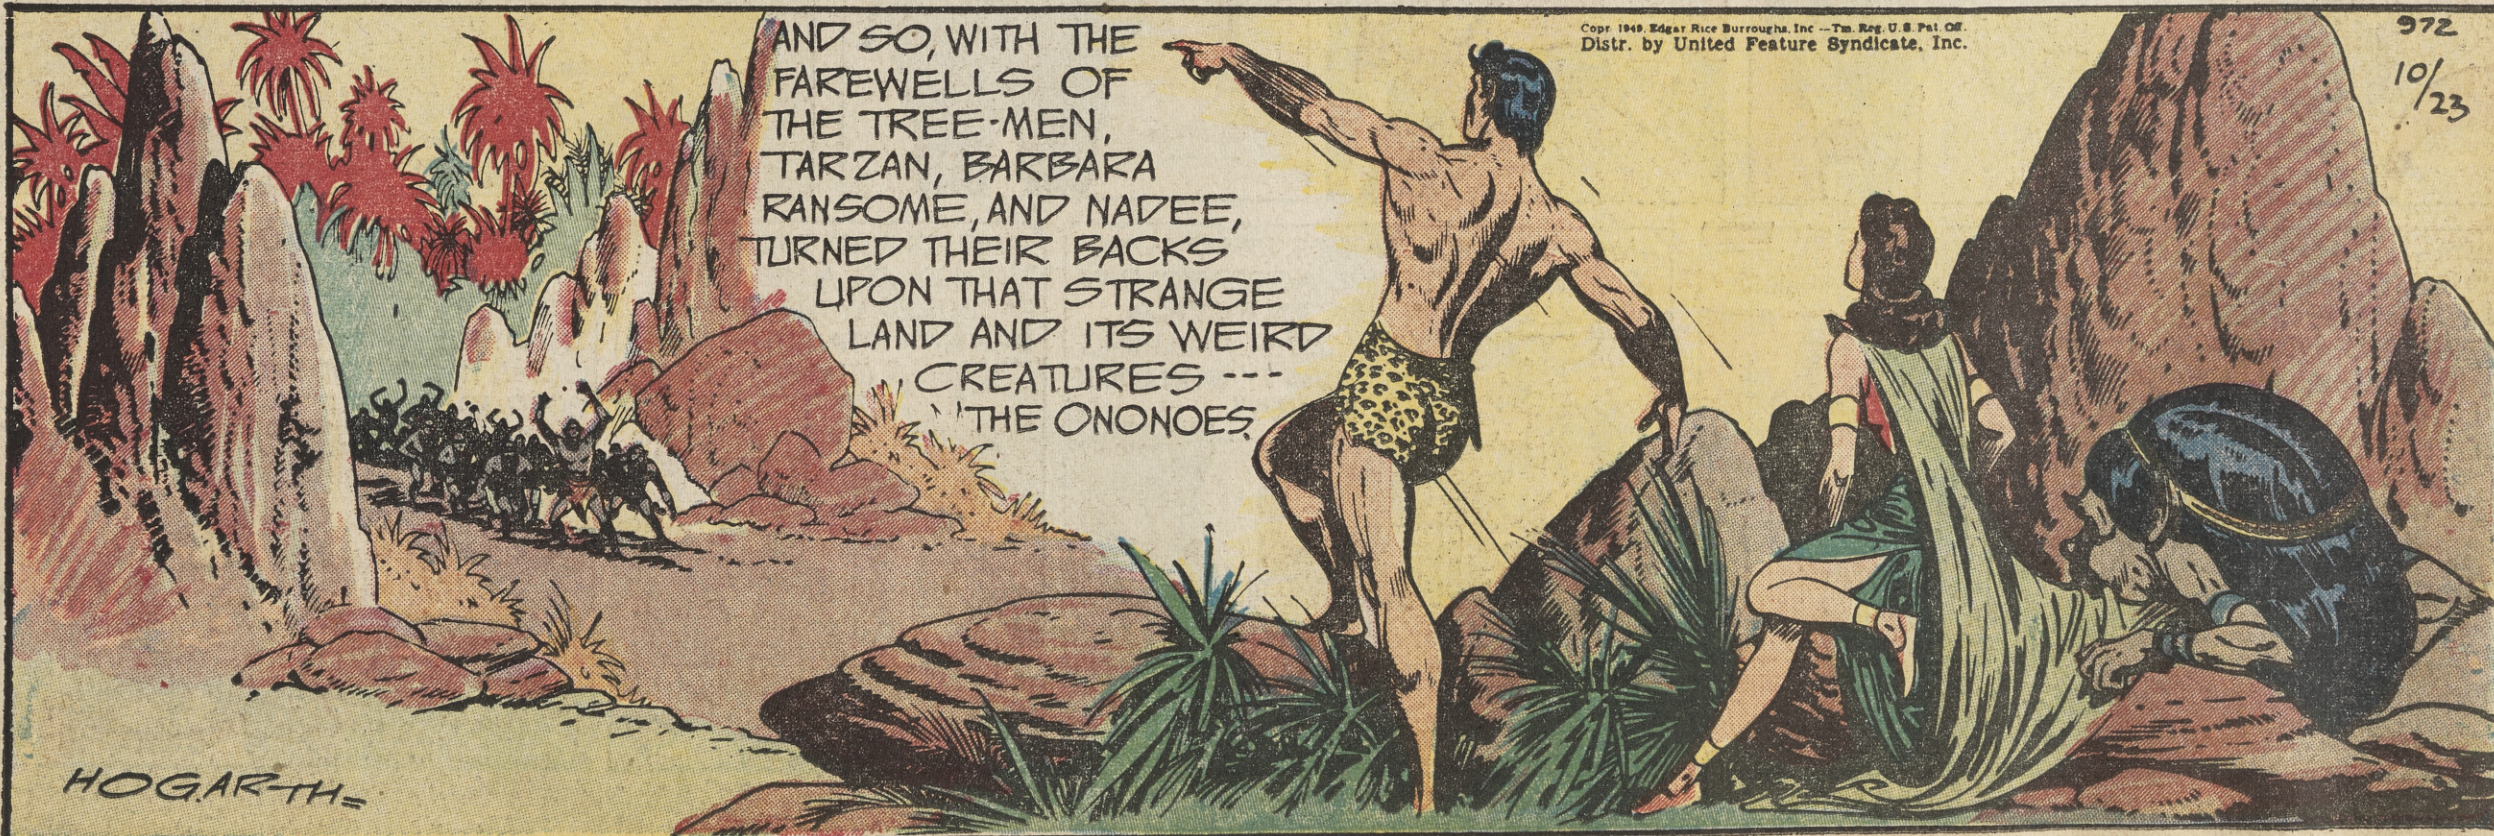

"THE ATTACK ON THE ONONOES," GRINNED WOLO, "WAS A COMPLETE SURPRISE. IN HELPING YOU, FRIEND TARZAN, MY PEOPLE SETTLED AN OLD SCORE WITH THE ROUND ONES."

"YOU SAVED TARZAN'S LIFE, WOLO," THE APE-MAN SAID. "TARZAN IS GRATEFUL. TARZAN DOES NOT FORGET."

AFTER A BRIEF RESPITE, A STRANGELY ASSORTED GROUP TREKKED TOWARD THE DISTANT PASS.

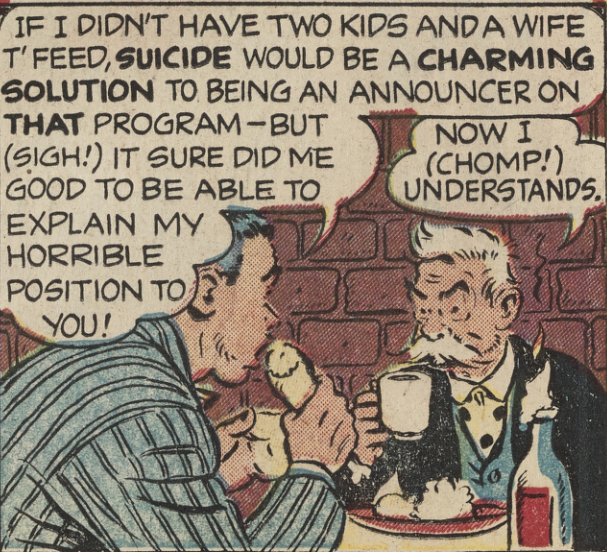

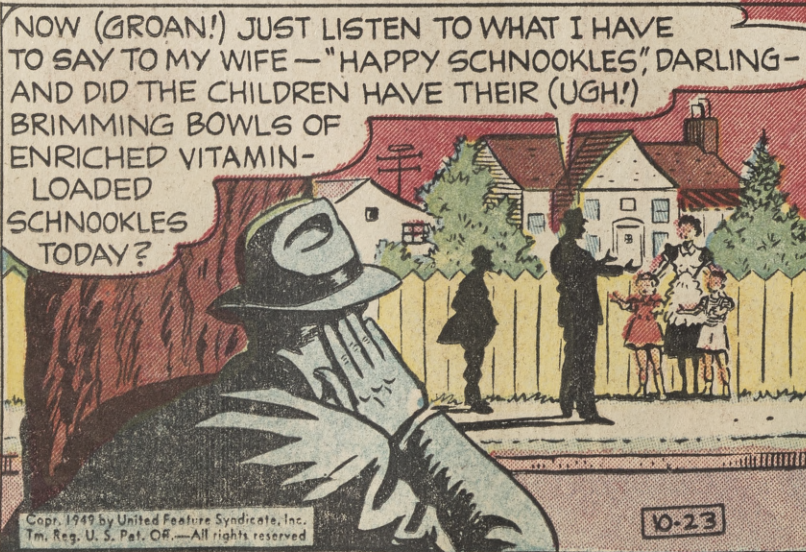

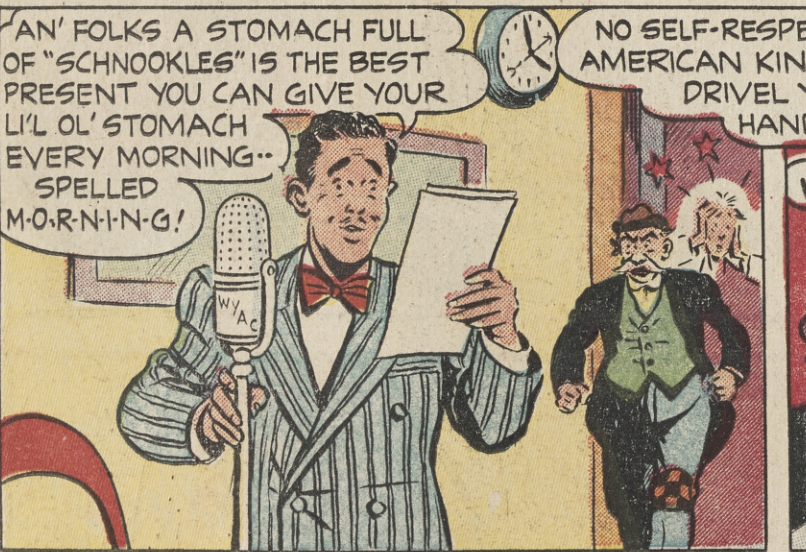

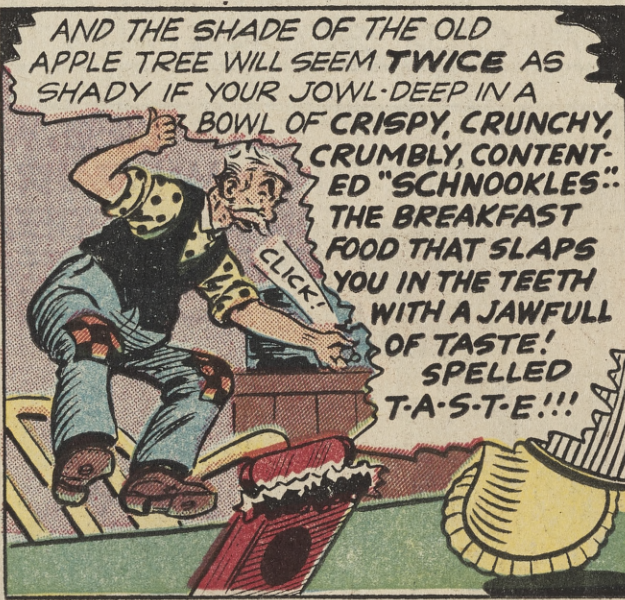

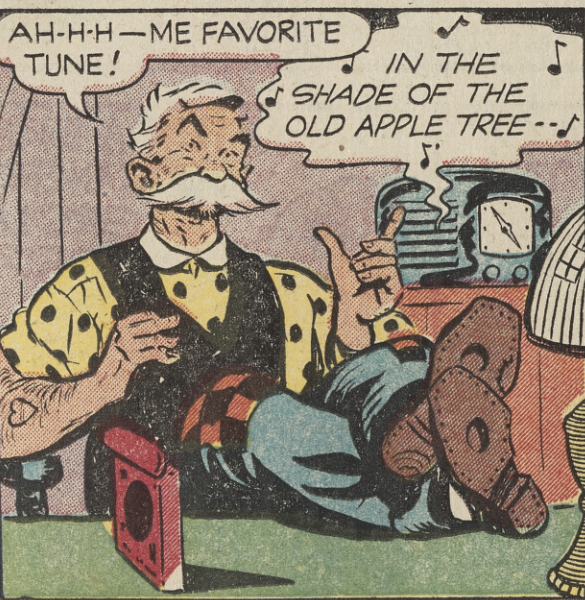

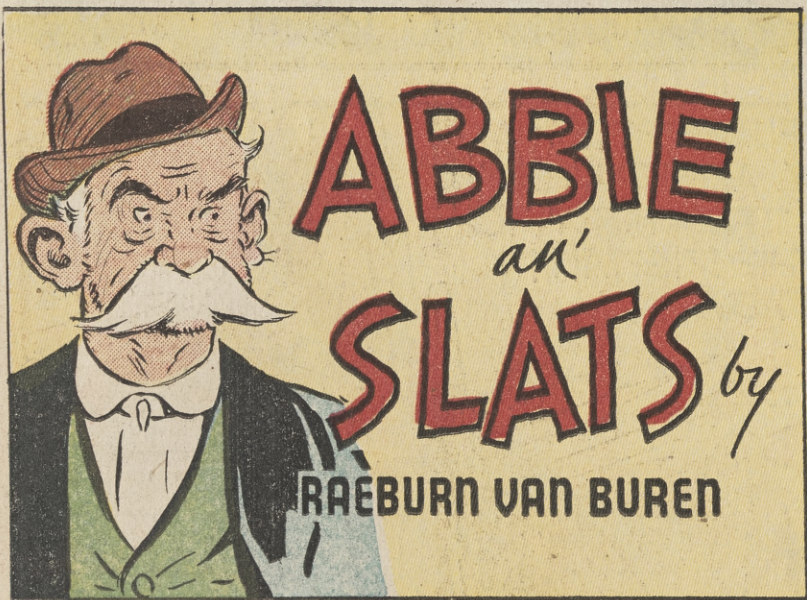

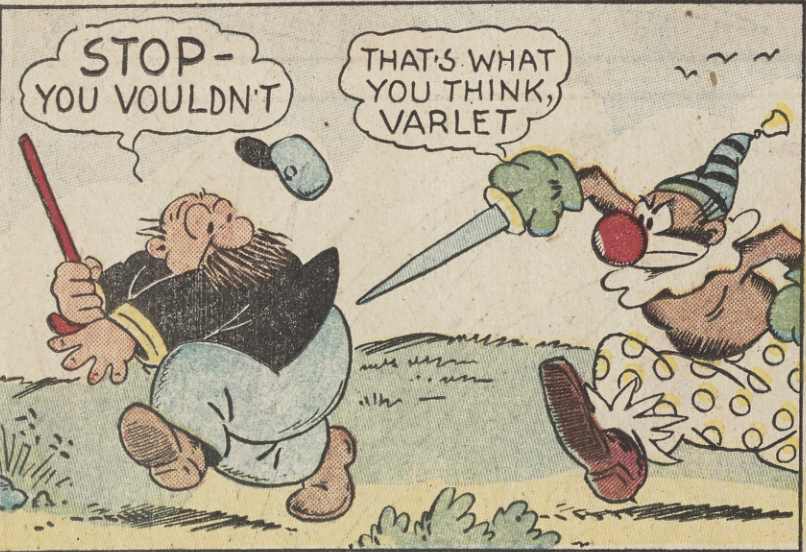

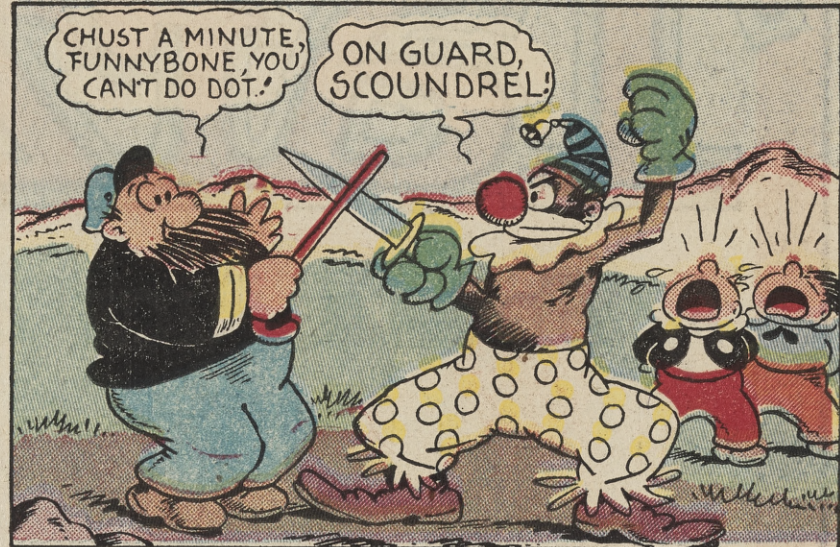

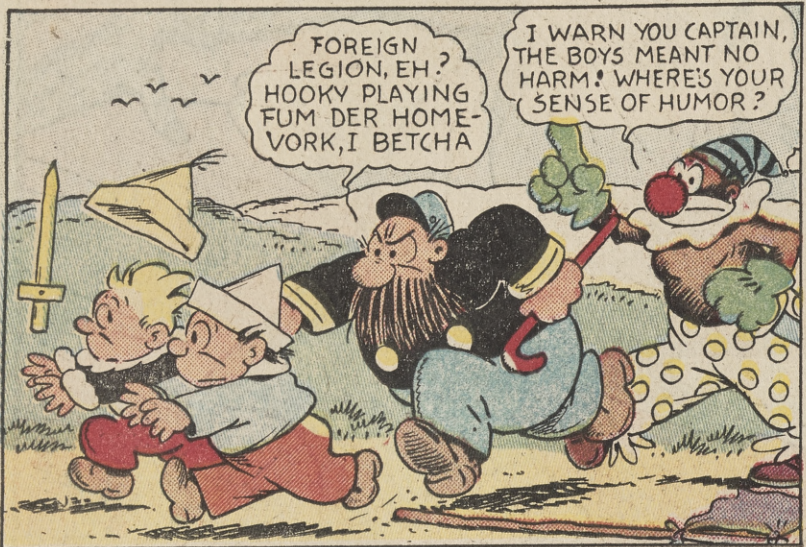

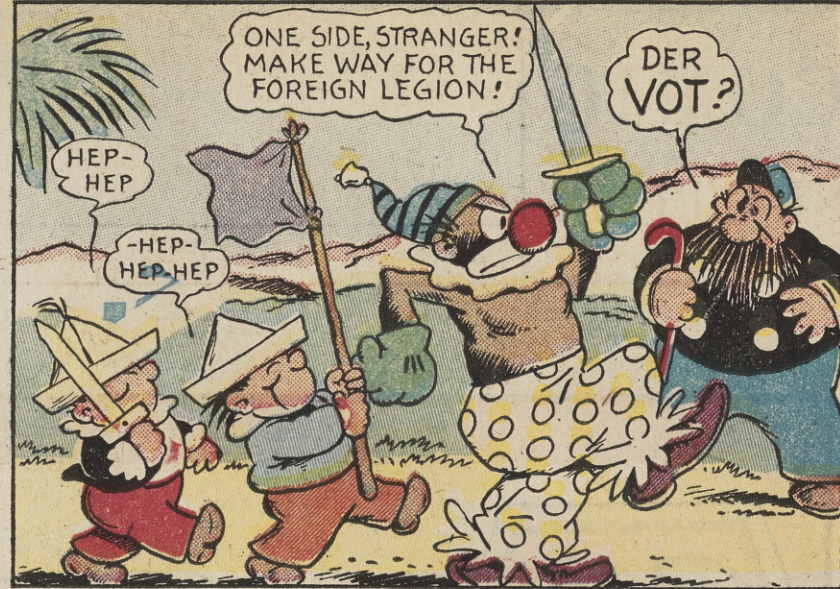

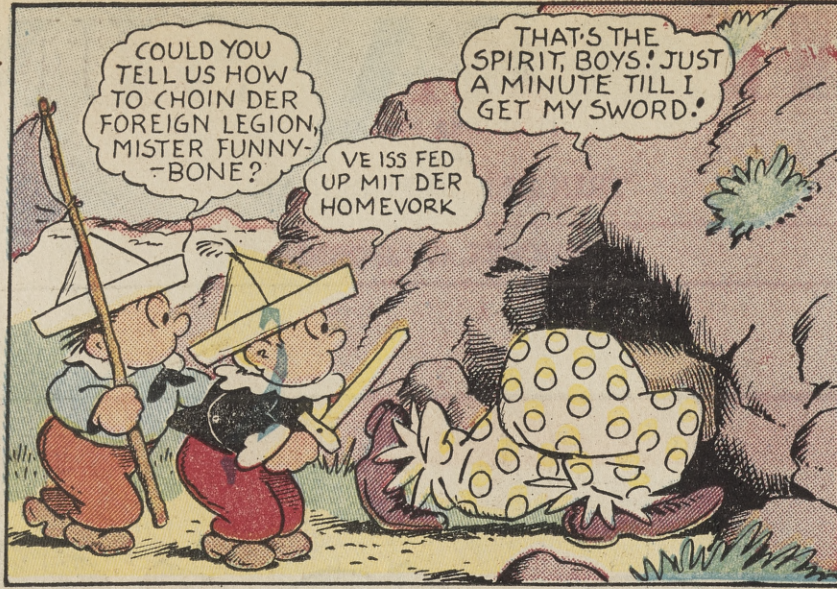

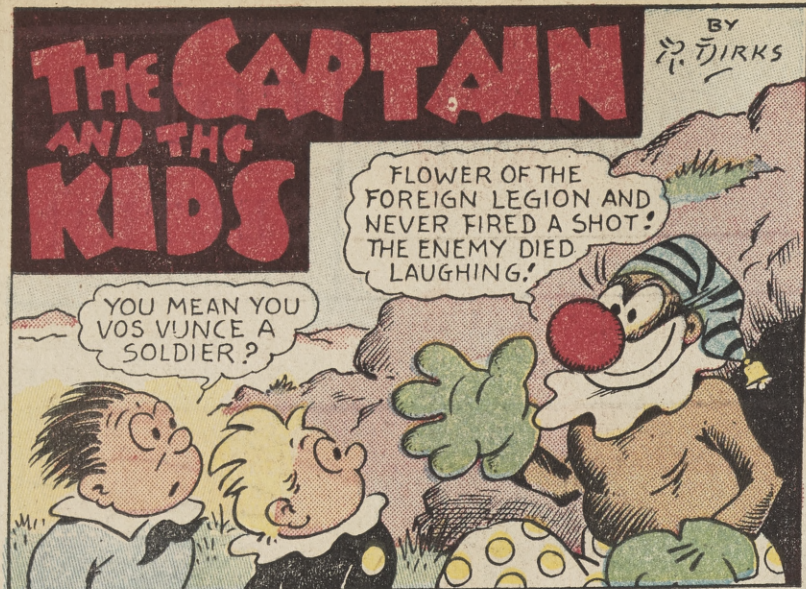

AND SO, WITH THE FAREWELLS OF THE TREE-MEN, TARZAN, BARBARA RANSOME, AND NADEE, TURNED THEIR BACKS UPON THAT STRANGE LAND AND ITS WEIRD CREATURES --- THE ONONOES.
